

Memorandum of Understanding

between

the TECHSIGHT NETWORK

(represented by Ss. Cyril and Methodius University in Skopje, North Macedonia,
as the Leader of the Regional TECHSIGHT Deep Tech Innovation District)

and

Foundation for research and development of treatments for multi-sensory integration CMSI ENIGMA Macedonia - Skopje

(as the Partner)

Skopje, N. Macedonia

1. Purpose and scope

This Memorandum of Understanding (MoU) recognises and affirms the mutual intent of the TECHSIGHT Consortium and the undersigned Partner (the Parties) to collaborate in the development and implementation of activities that promote innovation, entrepreneurship, and the growth of deep tech ecosystems, in line with the vision and objectives of the TECHSIGHT project.

At a regional level, this MoU establishes a cooperative framework for advancing the Regional Deep Tech Innovation District, aligning with TECHSIGHT's vision of positioning European higher education institutions as global deep tech leaders.

The Parties wish to establish a cooperative arrangement whereby they may participate in collaborative teaching, training, mentoring, research, and other innovation support activities, with the aim of further enhancing their relationship and mutual benefits.

2. Areas of Cooperation

The Parties intend to pursue opportunities for cooperation, which may include, but are not limited to:

- Student internships, case studies, mobility between TECHSIGHT partner institutions and the undersigned organisation

- Mentoring and entrepreneurship support for students, researchers, and start-ups/scale-ups within the TECHSIGHT network
- Visits and exchanges of academic and professional staff for teaching, training, research, or other agreed activities
- Co-supervision of students and researchers in areas relevant to deep tech innovation
- Joint research and development activities in deep tech fields, aligned with regional and European priorities
- Exchange of documentation, research materials, publications, and best practices
- Participation in co-creation sessions, knowledge exchange events, and innovation challenges
- Other activities within the scope of fundraising, promoting innovation, entrepreneurship, and sustainable development that are of mutual benefit to the Parties.

3. Rights and Benefits of the Partner

By signing this MoU, the undersigned Partner obtains the following rights and benefits:

- May use the TECHSIGHT logo and acknowledge the partnership in relevant activities and publications
- Gains access to TECHSIGHT platforms and tools (e.g., EduSPHERE, CollabSPHERE, ImpactSPHERE) as they become available, based on applicable TECHSIGHT policies
- Access to TECHSIGHT innovation and entrepreneurship support methodologies, training resources, and best practices
- Access to TECHSIGHT project deliverables, reports, and educational materials
- Promotional access to TECHSIGHT events, workshops, and training programmes
- Consideration for participation in joint proposals for future funded projects developed by the TECHSIGHT Consortium
